

IN THE SENATE OF THE UNITED STATES.

MARCH 15, 1880.—Ordered to be printed.

Mr. MCPHERSON, from the Committee on Pensions, submitted the following

REPORT:

*The Committee on Pensions, to whom was referred the petition of Moses Coffey, asking for an increase of pension, having examined the case, report as follows:*

That there is no additional disability shown to that already existing for which the petitioner receives \$8 per month. Therefore, your committee recommend that the petition be not granted, and that the papers in the case be returned to the Commissioner of Pensions, and that your committee be discharged from the further consideration of the same.
